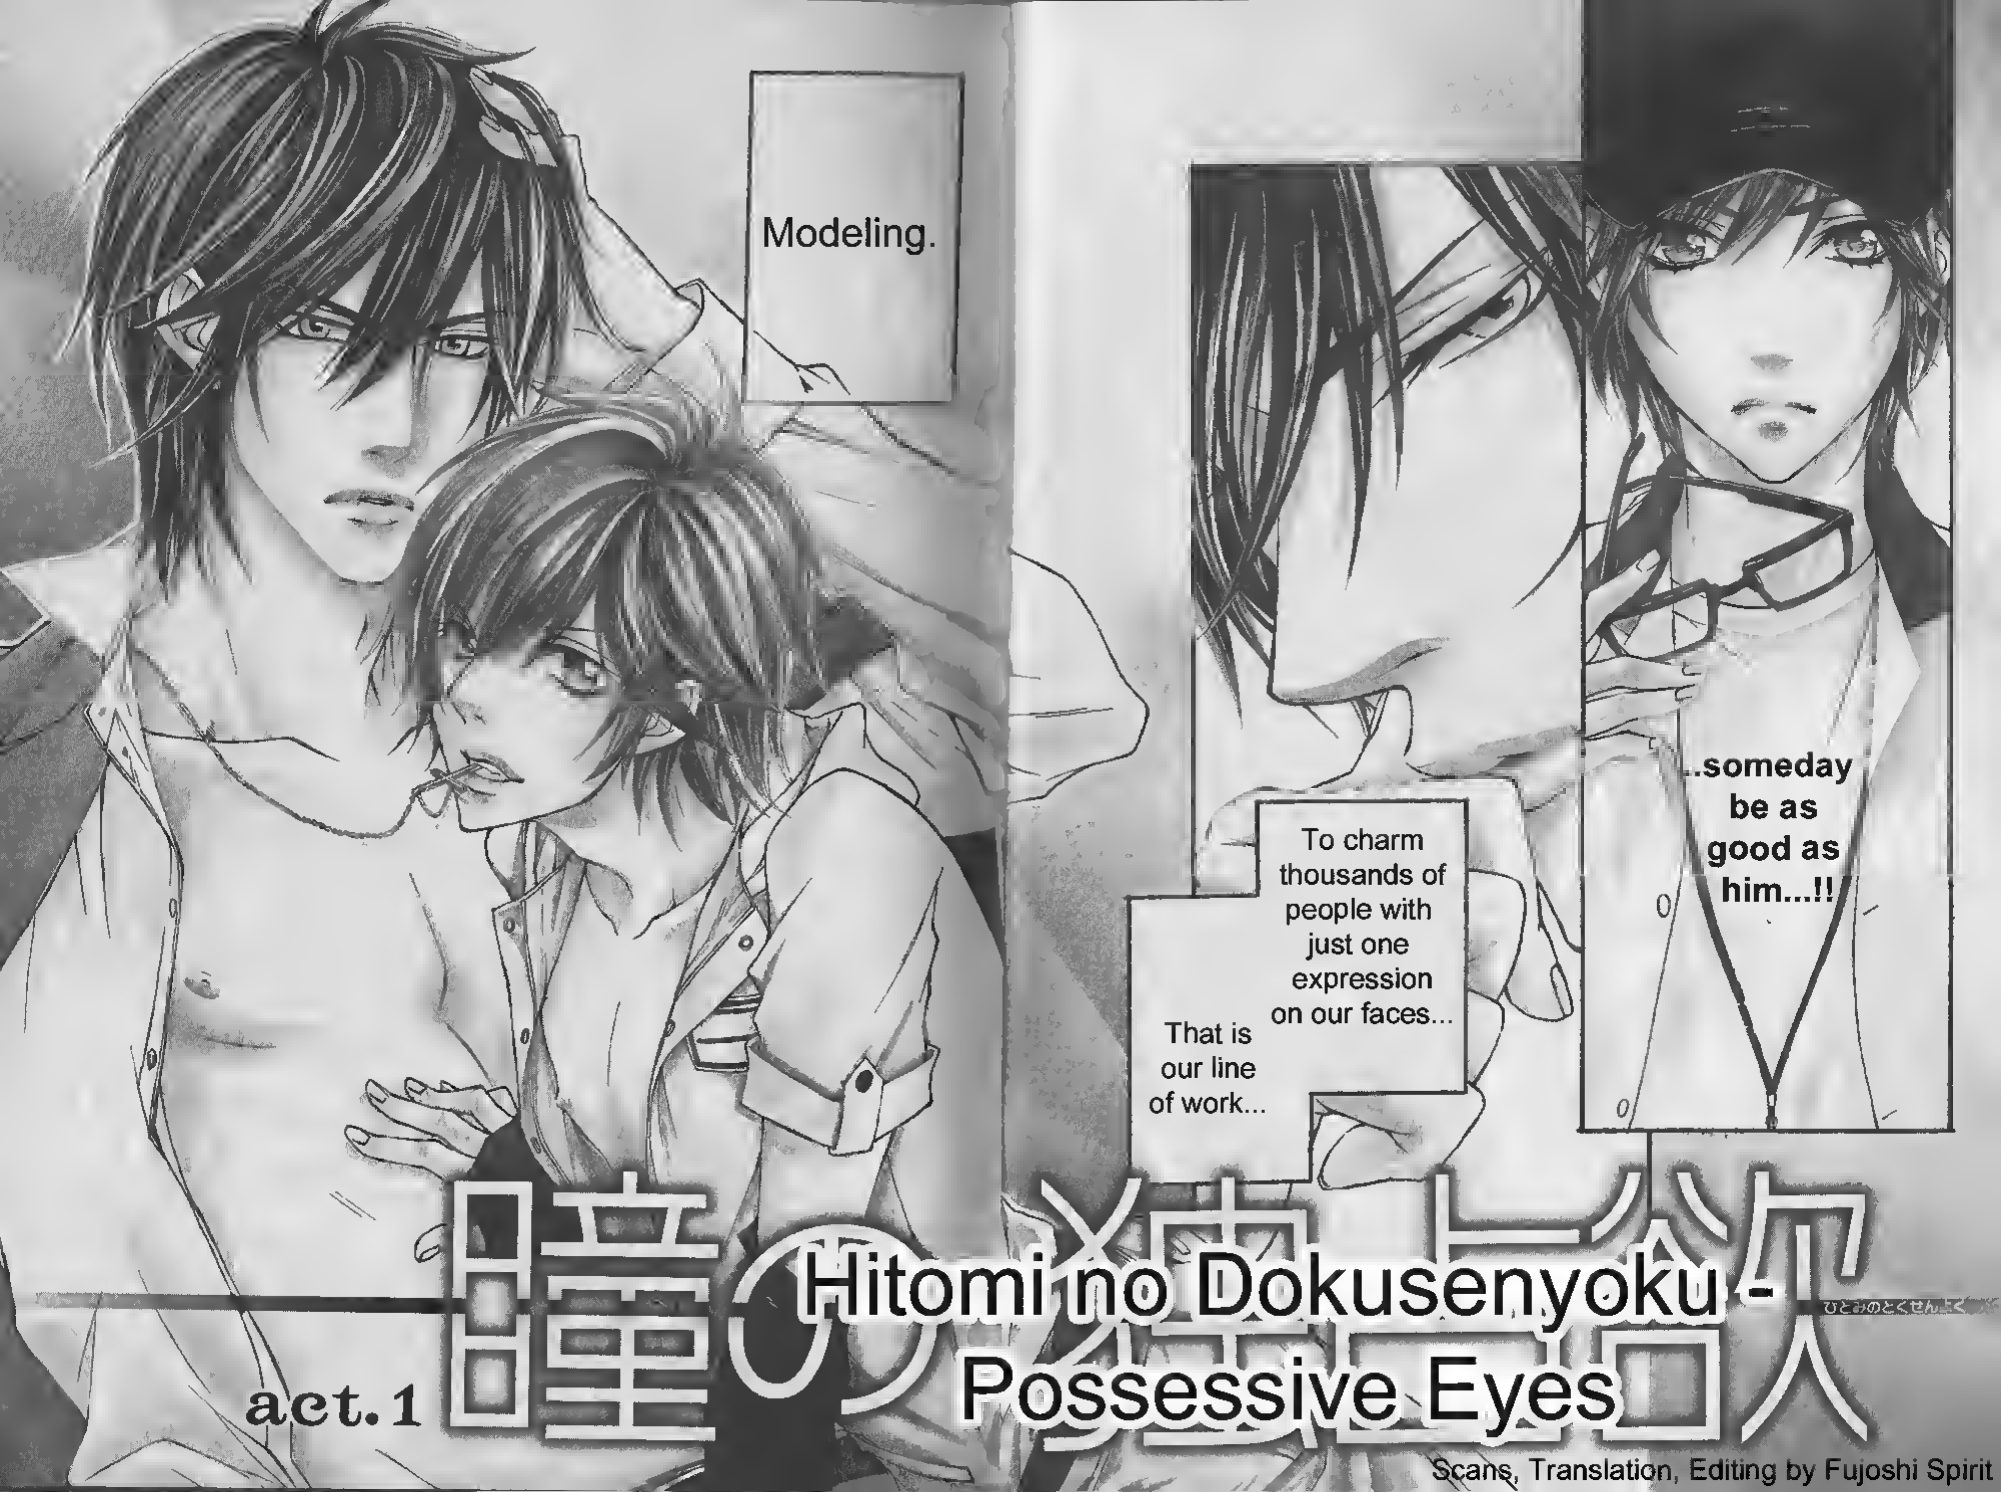
Possessive Eyes
act.1
Ryo-san, look this way please...
Damn— he really is pretty cool
sulk
As expected from the top model Kanahashi Ryo!
whisper
The photos will be great!
whisper
Just by having Ryo-san wear this, the sales will be three times as high!
I can't wait to see for myself!
I, too, will...



Modeling.
That is our line of work...
To charm thousands of people with just one expression on our faces...
..someday be as good as him...!!

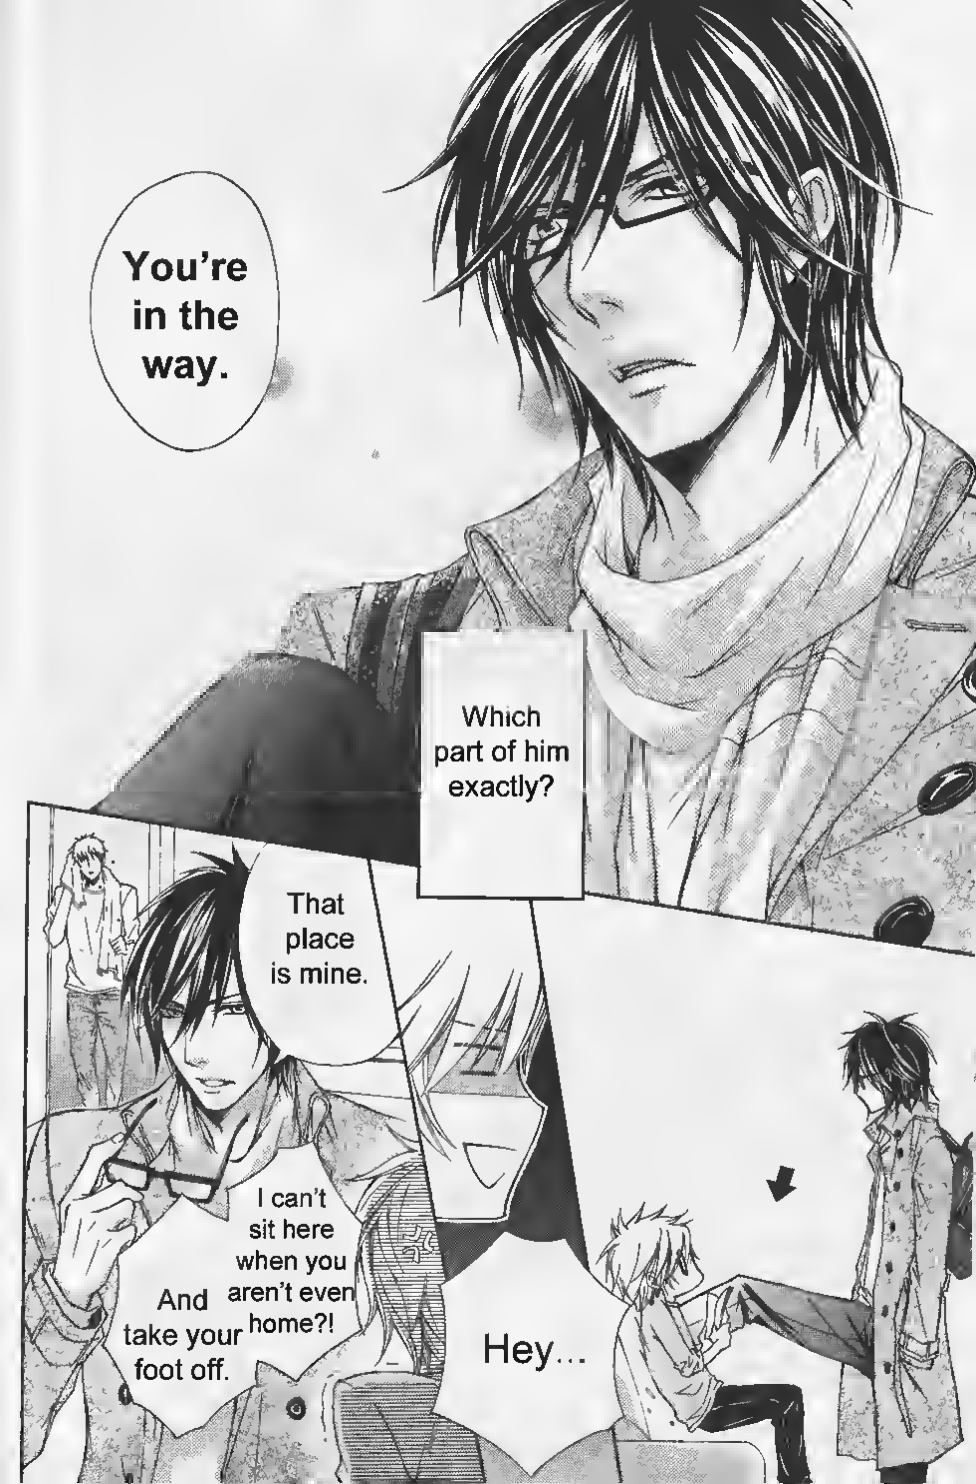
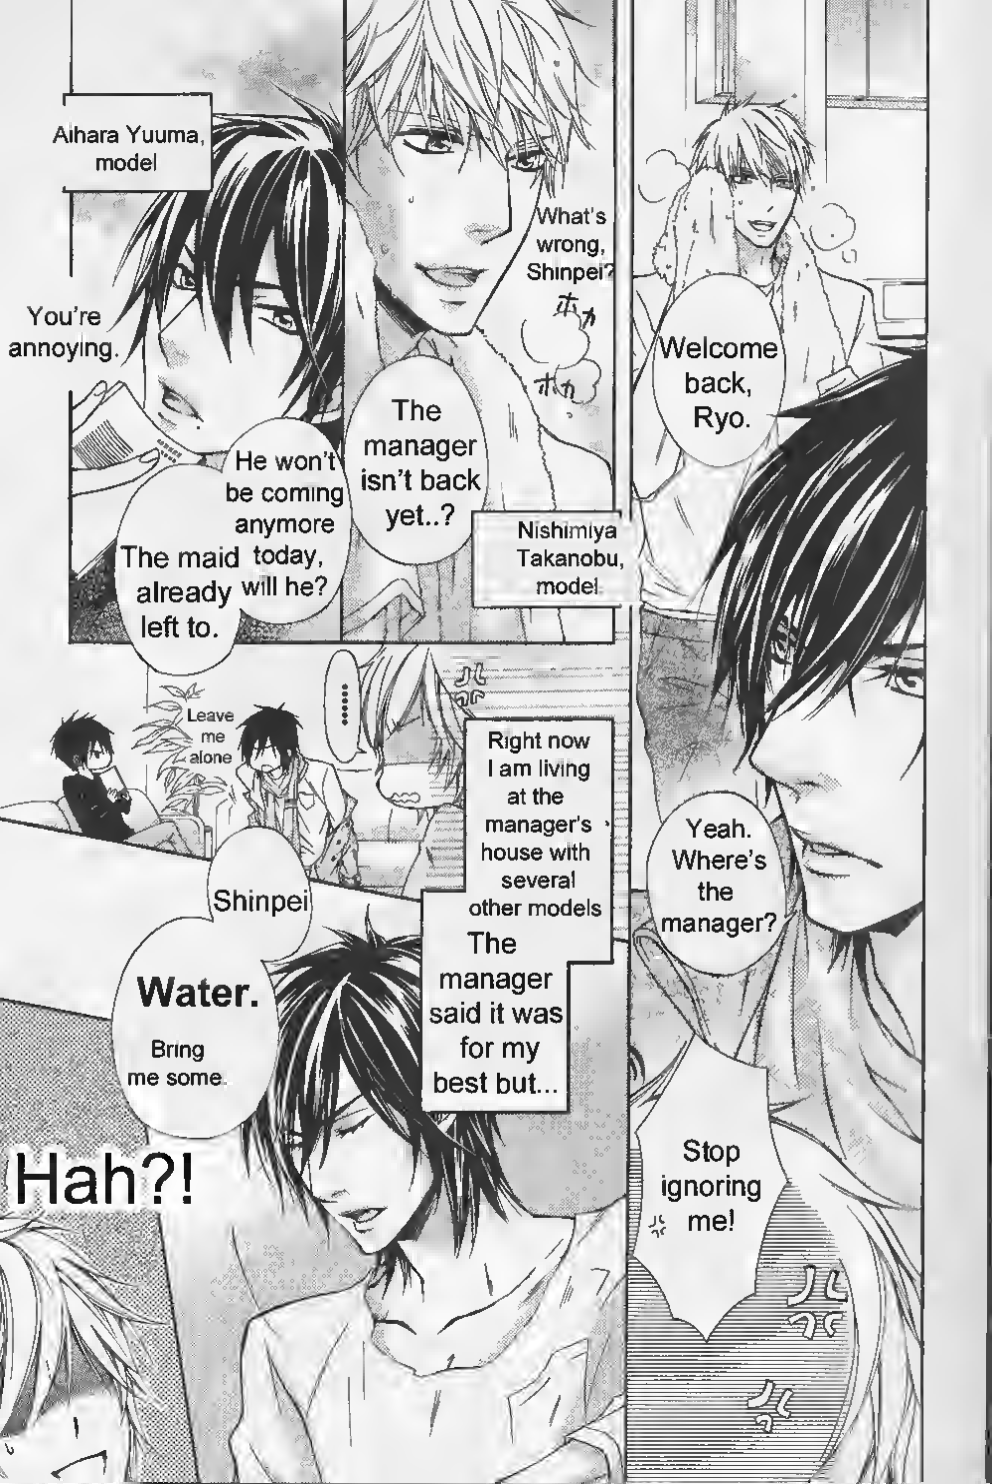
(camera shutter clicking)
Break time everyone!
Should we use flowers for the afternoon shooting?
I wanted to be really cool during that one shot earlier but...
Aww ♥ Shinpei you are so cute again today! ♥
You'd rank first in the list of "my dream little brother"!
Why is it always "cute"...
Well, I got kinda used to it
Ah! That reminds me!
Dream and reality are completely different.

MEN'S BE-
530
Is it true that you are living with Ryo-san?!
Hm?
What is it?
I have something to ask you Shinpei-chan.
All that ever happens inside our shared room is studying I dunno what's so special about that
It's the manager's order.
But... that topmodel is Kanahashi Ryo!!
cough
Uh Why do you know about that?
So it's true!!
I'm so jealous!

-Ideal boyfriend... 1st place
-Want to have sex with... 1st place
-Most economic performer...1st place
-Elegant yet wild appearance
-Tall
-Half
-Lived abroad
-Bilingual
.
.
.
The ideal man for girls everywhere!
A dream!
A friend of mine knows someone who worked with Ryo-san and heard the rumors
I'm sure he's just like this in private too, isn't he? So cool yet really nice.
I also really want to meet him!!
Is that so.
uh... make-up-san
The girls' ideal
...a dream?
Cool yet nice?



You're in the way.
Which part of him exactly?
That place is mine.
I can't sit here when you aren't even home?!
And take your foot off.
Hey...



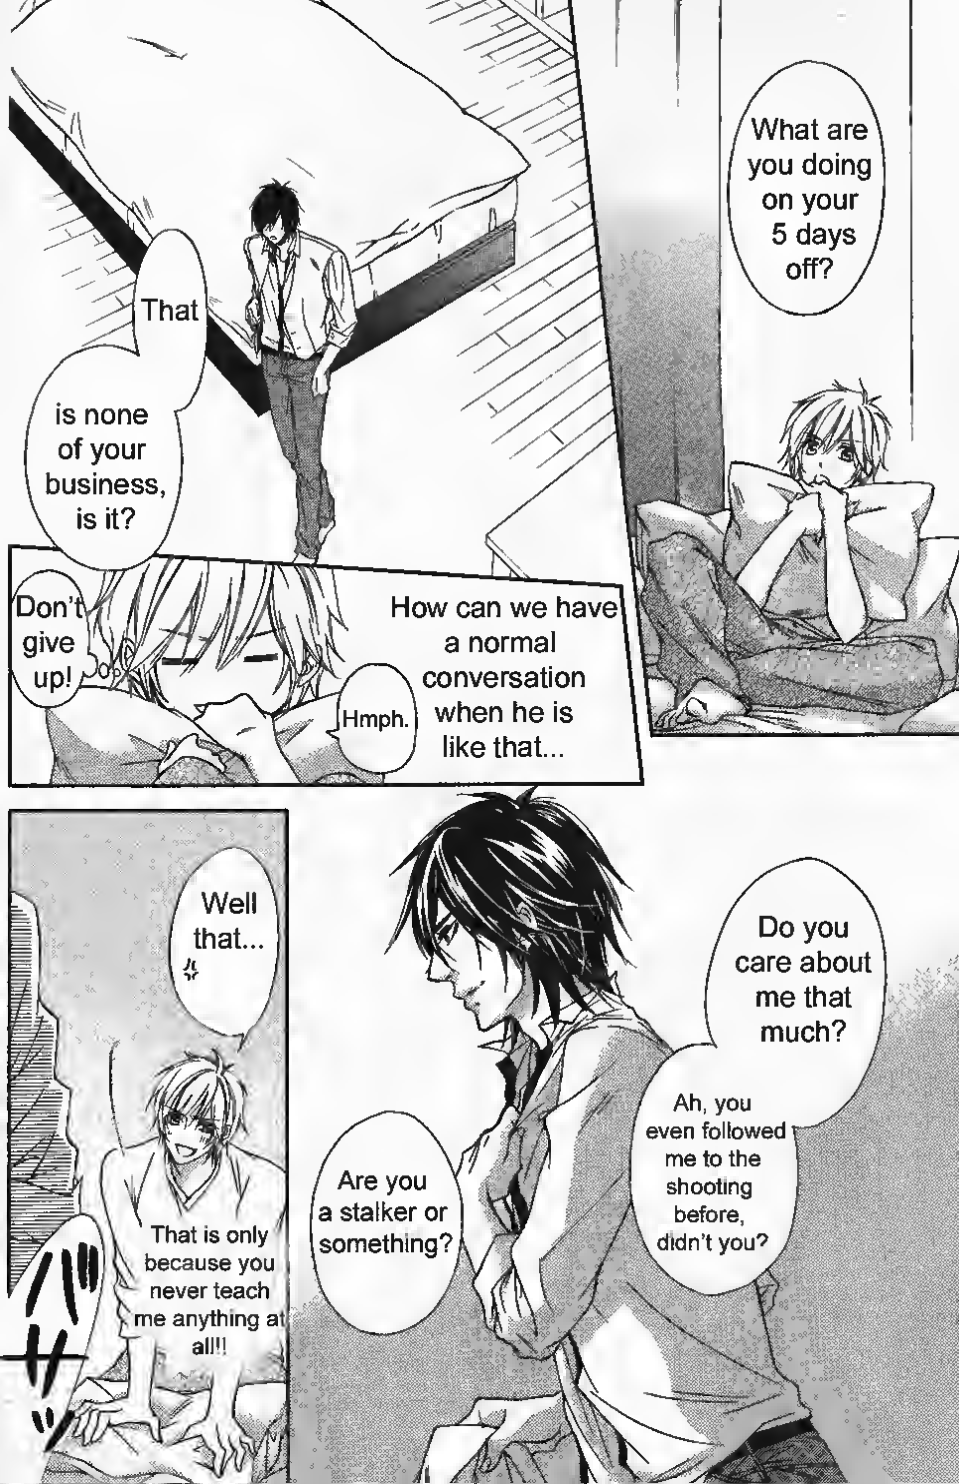
Aihara Yuuma, model
You're annoying.
What's wrong, Shinpei?
The manager isn't back yet..?
Nishimiya Takanobu, model
He won't be coming anymore today, will he?
The maid already left to.
Welcome back, Ryo.
Leave me alone
Right now I am living at the manager's house with several other models
The manager said it was for my best but...
Yeah. Where's the manager?
Shinpei
Water.
Bring me some.
Hah?!
Stop ignoring me!

My life went downhill when I met him half a month ago.
After graduating I thought doing office work would be okay.
But then I realized there might be more out there for me.
That's why I want to ask you to look after him. Won't you?
Why do I have to...?
Well if you intrude into other people's rooms
Isn't it normal to show some good will?
A little work won't kill you.
You!
I'm not here out of my own free will!
Yes, yes, just ignore him

Uwah!
I don't want to. Why me?
The real Kanahashi Ryo...
Um...
I'm going to do my best.
And here I was going to give you those 5 days off that you really wanted...
One man management
I'm saying I'm not interested
Can I not leave the promising newbie to you?
He really would be fortunate to learn from the charming Ryo!
Hah.
I want to be a model like Ryo-san...
I won't be a bother
I...

Just because you like to have your picture taken doesn't make you a model.
Hearing that from the person I admired...
It was a shock for me.
And...
So it's decided! I don't have any free rooms but Ryo's room will do, right?
Why don't I get a say in this?!
HAH?!
He hates me.
He's supposed to take care of me but he never even gave me one word of advice or anything!
What was the manager thinking?

Yes, yes.
I'd rather you take care of me, Taka-san.
...but
So don't worry about it too much, okay?
Nn... before you talk about liking or disliking...
It's just Ryo's nature to not be interested in strangers
I won't back down.
Hey!
I was bothered by it all along.
Maybe I just have to try to talk it over with him?

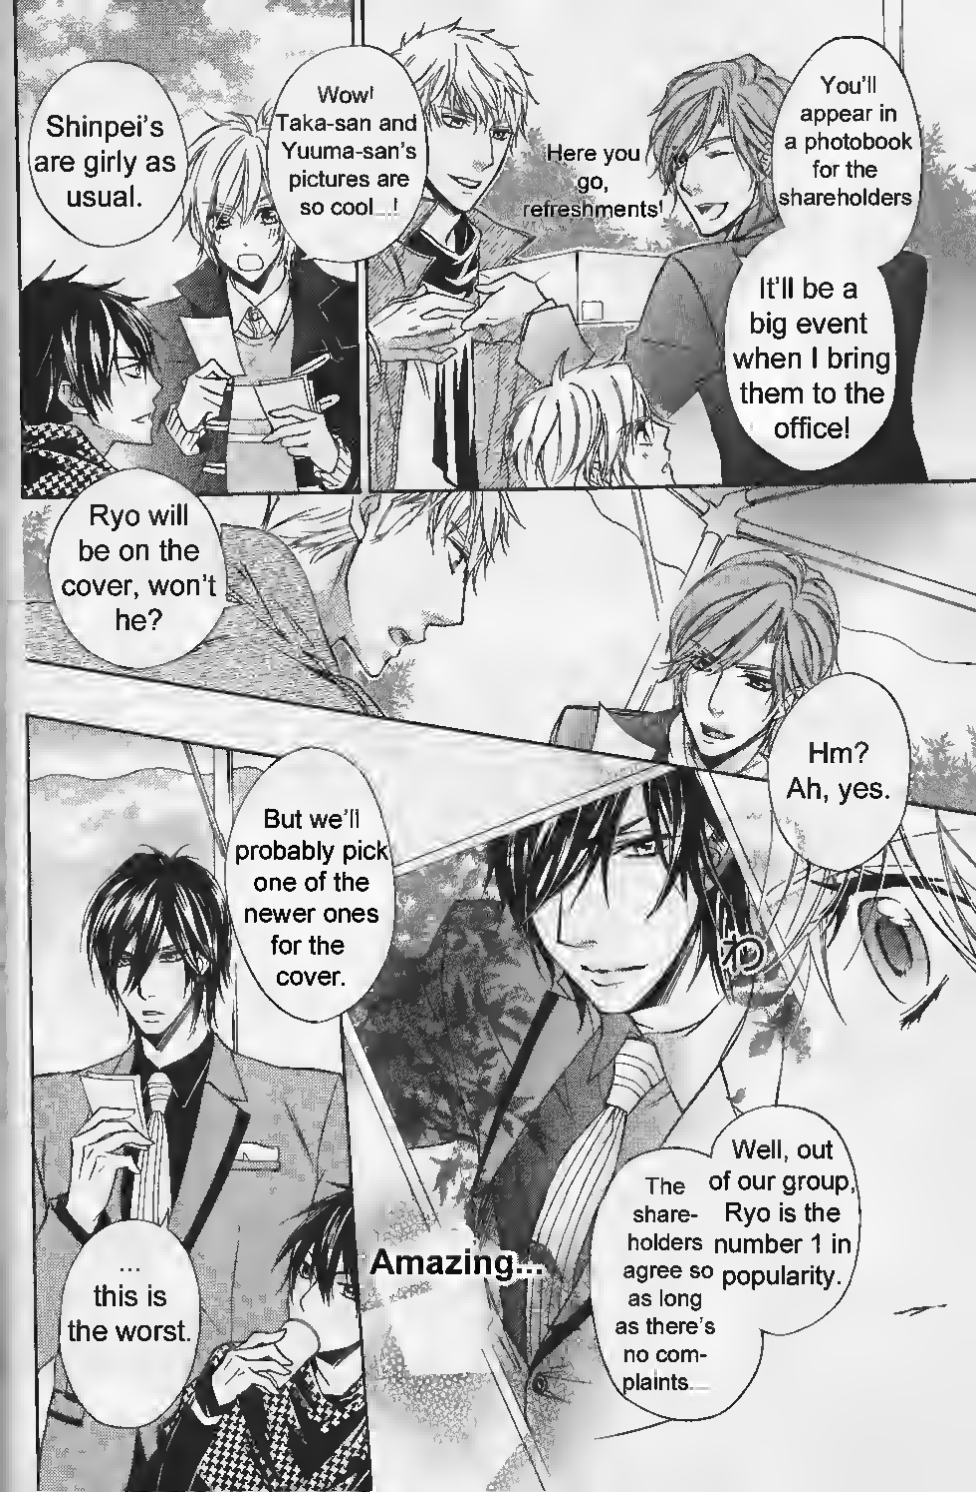


What are you doing on your 5 days off?
That is none of your business, is it?
Don't give up!
How can we have a normal conversation when he is like that...
Hmph.
Do you care about me that much?
Ah, you even followed me to the shooting before, didn't you?
Are you a stalker or something?
Well that...
That is only because you never teach me anything at all!!

Amazing body...
Wah...
So mixed race people really are different huh...
How come no matter how much I work out I don't gain muscle like that
I guess that ...
...looking kinda counts as studying, too, right...
What
Nothing.
chuckle

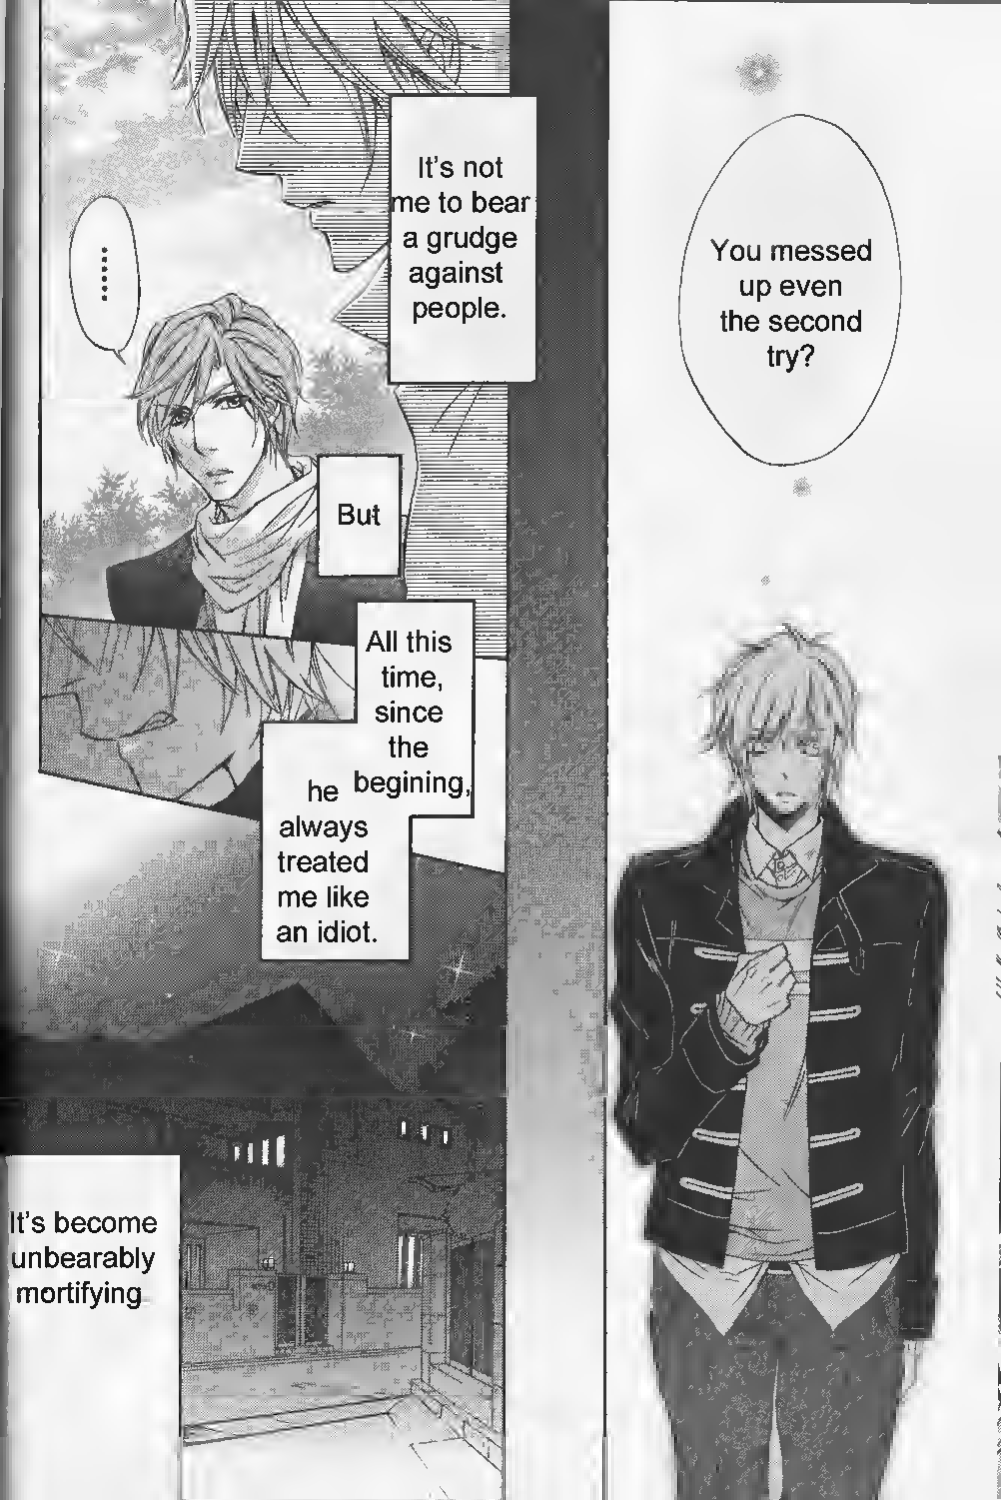
Die you bastard!
ouch
Ah, well
How should I say it...
I'm getting tired of it.
Next is your turn!
Please be on standby
Sexy.

Huh? A different feeling?
Yes, well, how should I say...
Um, is it okay to be so repetitive? Wouldn't it be better to try some shots with a different feeling?
Now look at that.
Shinpei is brimming over with motivation!
Seems he is trying to provoke Ryo. It's not a bad thing though.
You're working hard I see.
What's that? An unusual pose. Haha.
Ah, manager!?



Shinpei's are girly as usual.
Wow! Taka-san and Yuuma-san's pictures are so cool...!
Here you go, refreshments!
You'll appear in a photobook for the shareholders
It'll be a big event when I bring them to the office!
Ryo will be on the cover, won't he?
Hm? Ah, yes.
But we'll probably pick one of the newer ones for the cover.
...this is the worst.
Amazing...
The shareholders agree so as long as there's no complaints...
Well, out of our group, Ryo is the number 1 in popularity.

Why...
He doesn't show any facial expression at all.
You're not a lifeless doll are you?
Or did you think it would be enough to wear the clothes and smile?
what?
what's going on?
Hm? what's wrong?
Your photos are great!
Not mine.
His.
Huh?
You said you were going to do your best.
And *this* is it?



It's not me to bear a grudge against people.
.....
But
All this time, since the begining, he always treated me like an idiot.
It's become unbearably mortifying
You messed up even the second try?

You ...
What the hell.
Be-cause I admired him.
...the worst.
You. Until now, you always...
...infront of everyone. even though I never did anything to you
Hah?
Are you *that* displeased with me?!
What are you talking about...
I always

...wanted to become just like him.
I always thought that.
Stop looking down on me...

I know that
Shit
Why are you like that?
I'll never be as good as you but...
Even if my ideal self is different.
Is it that much fun to look down on me like you do?!
I like modeling, so...
I'm still giving my own special best!
that is my reason to do my best...
!?

Your face right now kinda gets me going.
!!
Eh?
If you want to please me that much...
try to steal my glance; take my eyes.
Make me want to look only at you.
With the best facial expression you can manage.
I should... steal ...?

Ryo's eyes?
Show me a face that I cannot take my eyes off of.
I can't sleep.
And I have a shoot tomorrow
Show me a face that I cannot take my eyes off of..
No idea what he's talking about!
How can you just sleep?!
Wha-... are you....

(pull)
Let go of me
You're noisy, sleep already
We have
I get it, I'll sleep
work
to-morrow
Wah!
Wait, what?!

His eyes
I couldn't let go of them.
They charmed me.
A fascinating facial expression...
His body is so warm

His eyes...
When they are closed, he looks so surprisingly kind...
Mono-polizing huh...
In the end, that night while I slowly drifted into slumber
I wonder.
I couldn't take my eyes off of Ryo's sleeping face

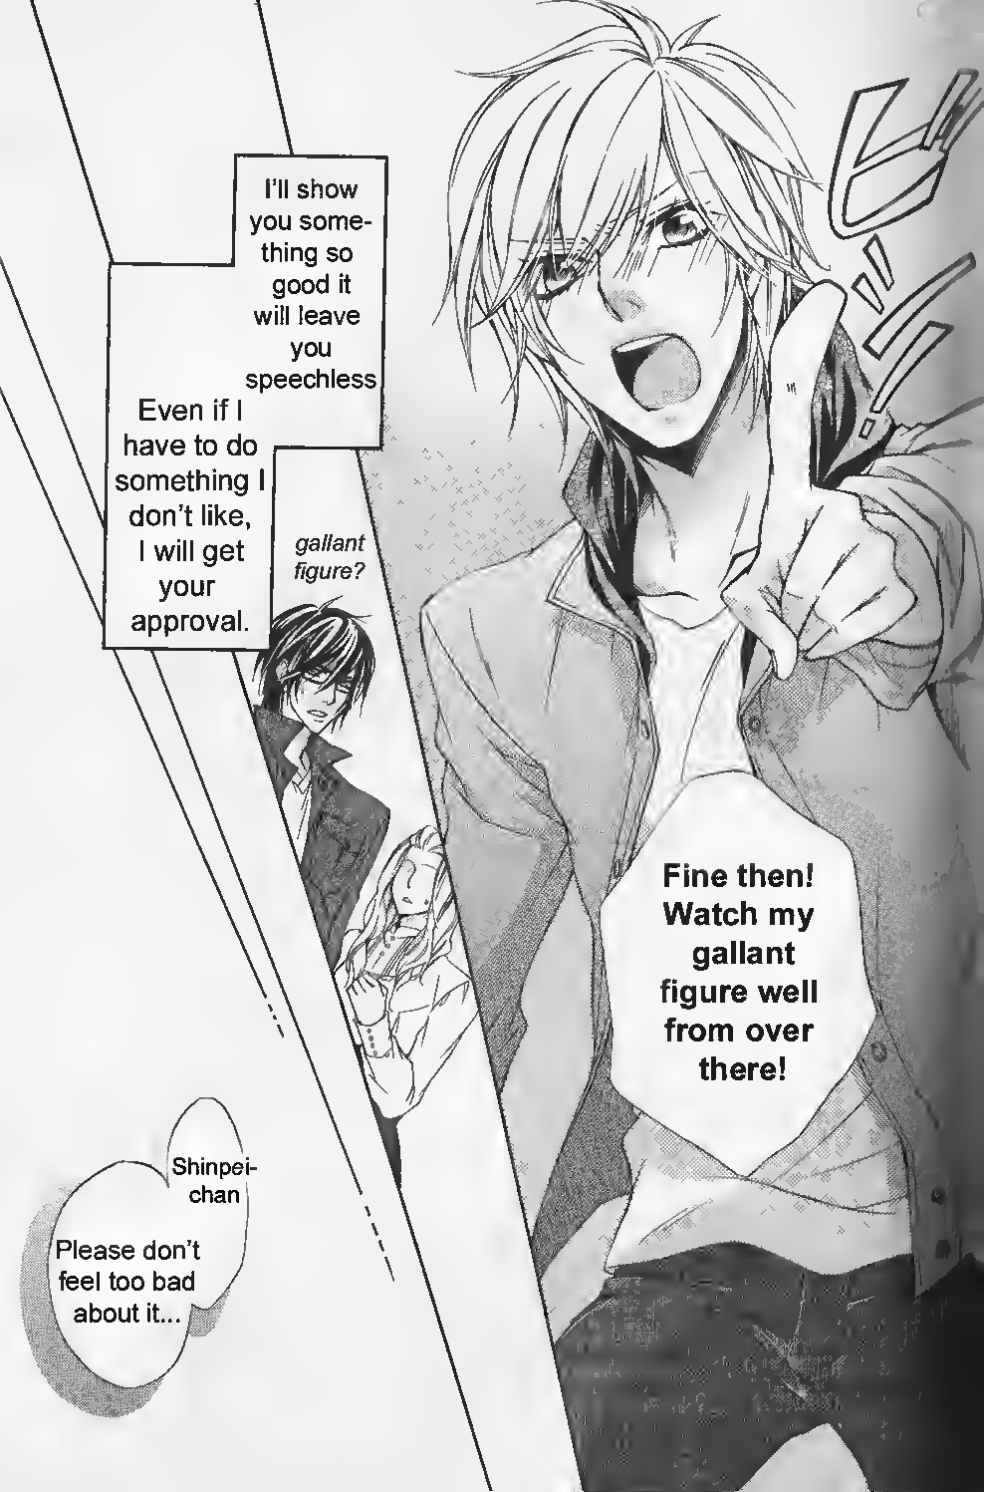
Act 2

"Try to take my eyes"
Since then, Ryo's words ...
Hey are you guys done with the pre-paration?
Lights lights!
...have been running in a loop inside my head.
Capture his eyes...
should I?
Can I even do that?

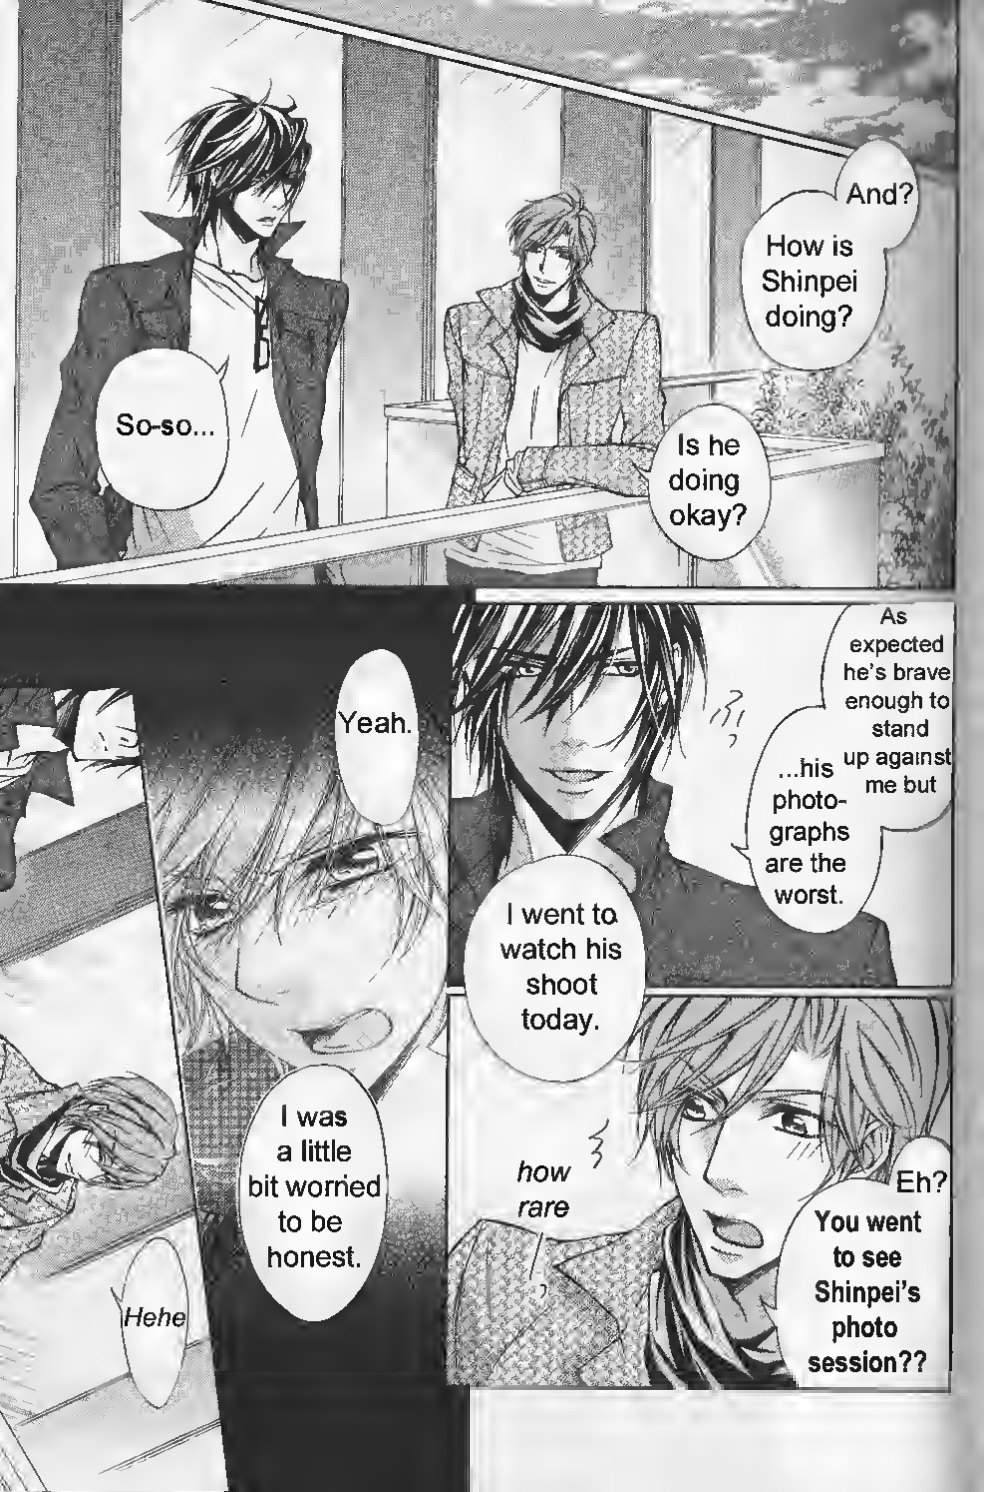
Can I take Ryo on?
Hm? What is it?
Huh? What?
The real thing?!
Eh?
Why?!
Eh?
Ryo?!
One moment... what are you doing here?
No-thing.

...is none of your business is it?
What I do and where I do it...
ドカッ
If that is it ...
No thanks, don't mind ♡ me.
Please take a seat!
Well yeah.
It isn't any of my business.
Did he come just to make fun of me?
What's this, he never showed up to watch my shooting even once before



I'll show you something so good it will leave you speechless
Even if I have to do something I don't like, I will get your approval.
gallant figure?
Fine then! Watch my gallant figure well from over there!
Shinpei-chan
Please don't feel too bad about it...

It was a total failure
It happens to everyone! Right!
Ah...
Yeah, today was terrible.
What does one do with a model that cannot make enough expressions?
Maybe he doesn't have the quality to be an idol model?
Shinpei's also embarrassed I'm sure.
I definitely won't stop now...
Ryo also just took off midway through the shoot.
Somehow the things I want to do right, I can't ever get right.
That's not even funny.
It shouldn't be like this.



And?
How is Shinpei doing?
Is he doing okay?
So-so...
As expected he's brave enough to stand up against me but
...his photo-graphs are the worst.
I went to watch his shoot today.
Eh?
You went to see Shinpei's photo session??
how rare
Yeah.
I was a little bit worried to be honest.
Hehe

I wanted you to mentor Shinpei because it's important for you to learn to care about others.
Looks like at least that worked out.
I don't know about that.
It was nothing but a mere whim.
Haa!?

So the photos...
were trash?!
Well it was just the staff talking. You can't help it.
Idiot.
But, come on!
Hah... well....
That guy just showed up without warning...
Shinpei

But
I'm aware of him? That's
But
...not possible
It's just that I admired him...
...
You're very much aware of Ryo.
Or did I
...get the whole thing wrong or something...?

I understand that the self I will become and the self I want to become are different.
Even when feeling out of place, doing what you *can* do is important.
Even if I don't become like Ryo.
Shin-pei
I wanted to do my best the way I can do it...
Or so I thought.
But that...
... it doesn't really matter anymore.

It's painful to disappoint him.
Try to take my eyes.
I want to capture them if I can.
Those strong willed eyes.
Take them
Gain his approval
And...

I want to become a full fledged model.
But if I cannot bring perfection, I will be replaced.
What ... do I want to do?
And?
You guys are ridiculous I'm going back to my room
You're so cute, Shinpei!
You made it sound so serious you got me worried but in the end you're just fondly speaking of that guy
He-hey!
Taka-san!!
Don't say such mushy things!
That's not it!
Speaking fondly?!
Wait

You are you and it's okay to be yourself and be honest.
To the camera
...to Ryo
Be my-self?
I didn't have the guts at first but...
now I can be myself
Ah.
Welcome home...
Did ...
Welcome home Ryo!

Did something also change in my relationship with him?
Um mm...
I
I...
Ah...
I have to be honest ...
Hey um...

Today
Thanks for coming to the shoot, I was happy.
I'm still going to give my best.
If possible, I'd like it if you came to watch me again.
Eh?
What?
Huh?
He is
Don't try to flatter me.

...In a horrible mood ...??
That's why
You saying that really pisses me off.
If you use that frantic display at work maybe you'll become a bit better.
Also
Just now you were all close to Takanobu.
Now I'm back and it's my turn to have you stick to me?

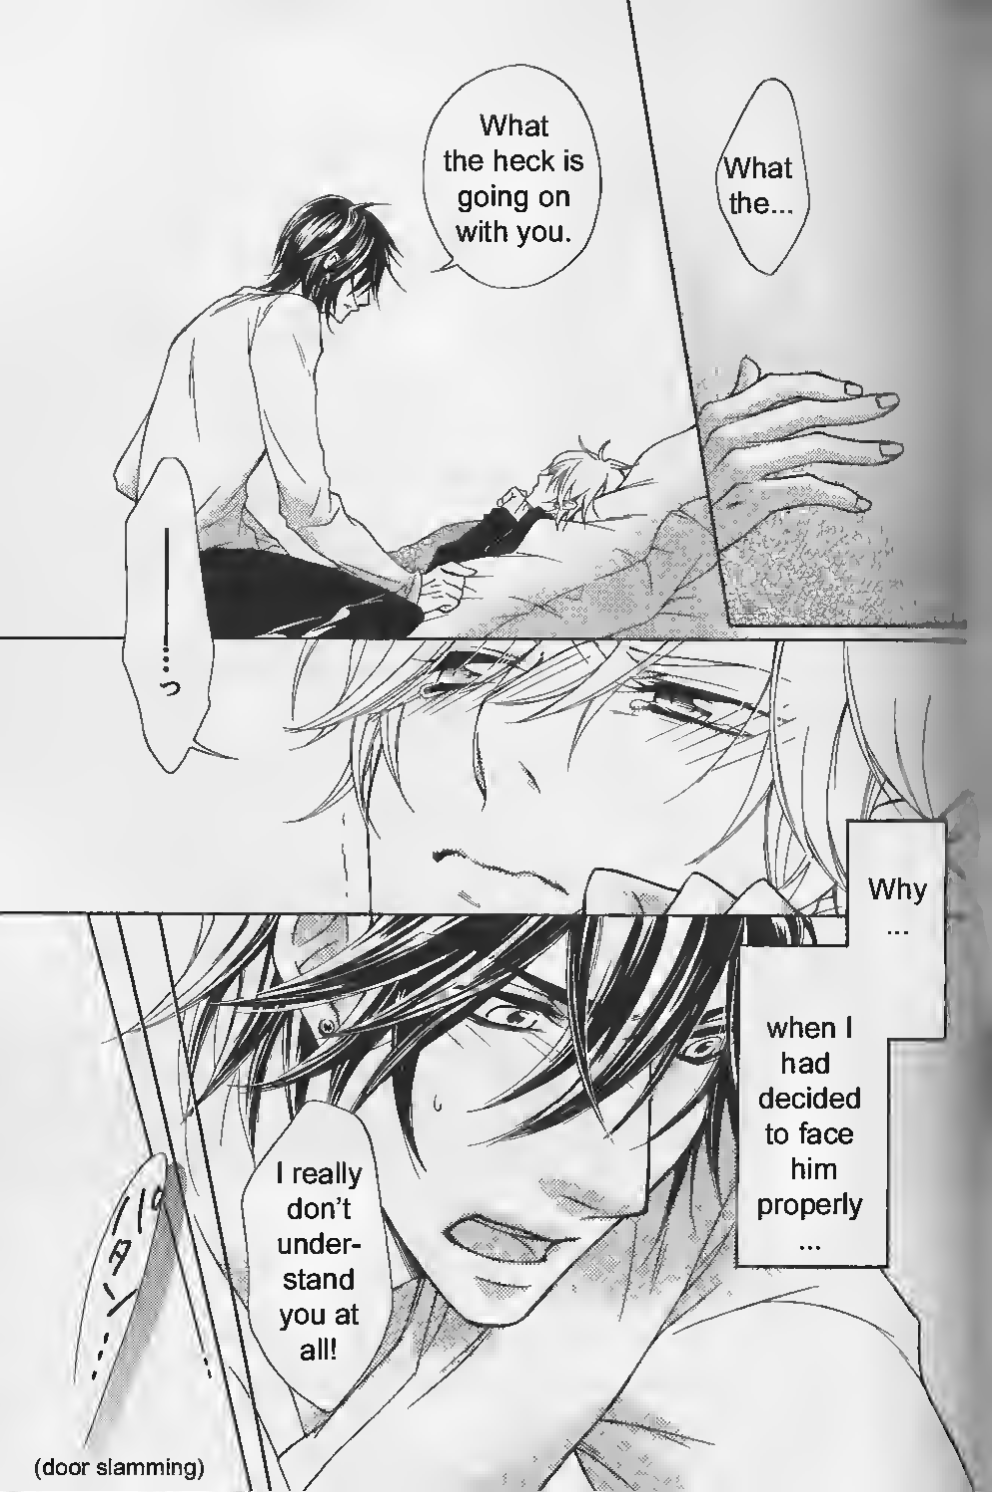
What do you think people do when you flatter them like that?
Um
that
...
Why... such a thing...
Aa, that's right.
I'm the only one here thinking about that.

Just imagine I was the camera...
Eh?

Wha-
What?
I like that look. Now face me.
Come on, lift your chin.
Look at me...
!?
Hey
Wait!
Ryo!!
Your seductive-ness is lacking...

Seduce me.
Hey!
Where are you touching ...?
So
What if I touch here?
Come on, look at me.
Wait a mom...
I'm serious, stop it!
Sto-

St...
...op it...
!!



What the heck is going on with you.
What the...
...!!
Why ...
when I had decided to face him properly ...
I really don't understand you at all!

So, Shinpei
It's been a week since you started staying at my room

Did something happen with Ryo?
!!!

It's nothing
No
Not like I can talk about it
That thing
Does he...
...really hate me that much?
Have I done something to justify that?

Bu-
And then he even touched my nipples
But but...!
Was it just to teach me something about photography?!
And what he said about the camera
He clearly only said it to piss me off
No, wait
He was probably just in a really bad mood...!
Shin-pei?
But.
His eyes were cold.
I didn't want him to look at me with those eyes.
Even if I do everything obediently, he just pushes me aside anyway

ガン!!
Hey you!
How much longer are you gonna stay at Takanobu's room!?
Eh? Uh well can I come to Yuuma-san's room instead?
What does it matter to you anyway?
Hah!?

Ryo... terrifies me.

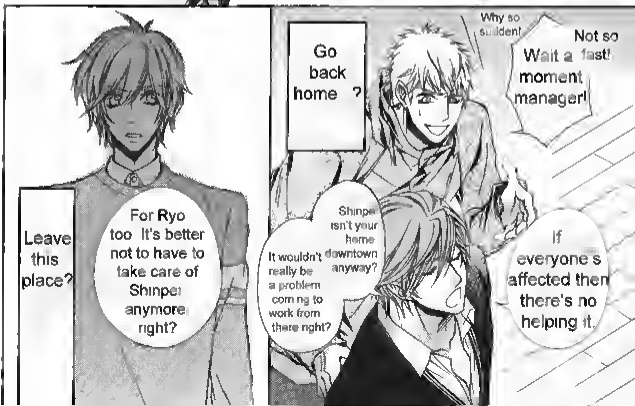
silent stare
Ah haha...
No, go back to Ryo's room! What do I have to do with it?
It's been like this all the past few days
He's in a bad mood and all he does is glare at me
He's always coming home late so I guess he doesn't want to see me either
Shin-

Yes, yes I'm going to bring some
Ah! Water right!
You want anything too Yuuma-san?
Beer?
Eh? Ah, yes
?
hey Shinpei!
ガチャ
Huh?
What's with this bad atmos-phere?

Welcome back
You've worked hard
So, Shinpei
You're staying with Takanobu now aren't you?
Ah... yes
You *know*, I...
told you *explicitly* to stay at Ryo's room, haven't I?
.....

I let you stay here because...
I thought it would help you learn new things even in your private life
I mean
But
That is...
I do understand that but...
Hmph
ガシガシ

Won't you move out again?
Shinpei
Eh?



Leave this place?
For Ryo too It's better not to have to take care of Shinpei anymore right?
Go back home ?
Why so suddenly
Not so fast! Wait a moment manager!
Shinpei isn't your home downtown anyway?
It wouldn't really be a problem coming to work from there right?
If everyone's affected then there's no helping it.

I won't have anything to do with Ryo anymore...?
If I leave here
I won't be able to talk to Ryo anymore
I won't see him anymore
But most of all
It's better not to have to take care anymore?
Shinpei are you listening?
So if that is decided, pack your bags and
What should I do?!
I can't!
Don't just go and decide this on your own!!

Can we ...
not properly talk it over...?

The one happiest about my leaving would be Ryo, right?
Why is he making this face?
Come with me
As expected I'm being thrown out
Does he feel sorry for me now...?
I thought that it didn't matter anymore
... why

Why did you leave.
Taka-san?
Eh?
Why are you so attached to Takanobu only
Didn't you just prove it again by running to Takanobu immediately and staying at his room!?
.....

You were the one who drove me out!
You irritated me
You did those embarrassing things on purpose
You trampled on my feelings
Damn
That
... bastard
I'm only intruding on you...

Why am I crying...
Just leave me be already.
I'm terrified.
I want to run away, from Ryo
But being seperated from him is so painful

I like you...

I've admired him yet I've never put it into words.

Ah.

That's how it is.

I like you
It... ke?
After all this
I must sound like an idiot now
I...
I'm not good at dealing with other people more than necessary!

Especially kids like you, so annoying
Guys who're not doing as they're told, gimme a break
Yet I want to think that this isn't a joke
Because you make this face
I can't

I can't help but care about you
But this-
Pull
Look only at me Stay close to me
I get irritated when I am seperated from you
What
is this?
If you like me then don't fawn over other guys

I thought you disliked me
Squeeze
Ah
Eh?
Not really
Even though I said you annoy me, I never said that I dislike you or anything
Really
You
Hah!?
What are you talking about!!
And I was always so troubled thinking you hated me!

I'm just as shocked about this as you are
It's OK as long as I am close to him
And so...
The simple thing I wished for
You are so egoistic, it's annoying!
Enough already
Squish
Ah
Nn

But... something like this...
I want to look only at him
shudder
Ha
It's
streching nicely here
Squish
N-

Did you get hard when I did this last time too?
And here
shiver
They've become hard like last time
Ah-
N-no

N-... No... you're wrong!!

Ah

ah
Not yet
In a moment it'll get even better
Hn
You egoist
Ryo is...
Ryo is... so sexy...
Ah
I'm coming

You're crying again
Aa
That's your fault now, isn't it!?
whine
Squirt
ah

Nm
The way your face looks
when you cry, desperately trying to bear with it
it's incredibly irresistible I love it
Eh…?
Show me everything
He's putting it in
So
shudder
grab
This should be scary but
Ah-
No…

Hah
hahh...
N-

Too
much
Ryo
You
idiot
Kiss
Shinpei
hn
Ah..
ah...!
tremble
shudder
His eyes
are so
passionate
Always
look only
at me

I want to monopolize them.
Um
Manager I don't know what to say
Yep
It's fine, I understand already
smile

Looks like you made up! I'm glad!
Made... up!?
I'm sure it was very difficult!
Ryo is so selfish!
I wonder what you mean ?
He found out?
Eh-
smile
One moment!
What are doing here being all over Shinpei?
Ryo you can't just come walking over here!
You're annoying!
You're at work! Concentrate on your shoot!
We're only talking He's also my manager remember?
He's too obvious about our relationship.

I don't want the manager doing whatever he wants to him!
Yeah, yeah
He's so full of himself.
I told you before
We'll be found out
You too
Don't just keep quiet and let him touch you
Wah...!
He's close!
Let go!
The only one allowed to like you is me
He's pushy and selfish
And yet
He's completely different from the Kanahashi Ryo I imagined
From the start, I –

certainly
And I still will, from now on, too...
...I've been fascinated by his eyes more than anyone else's.

Always.

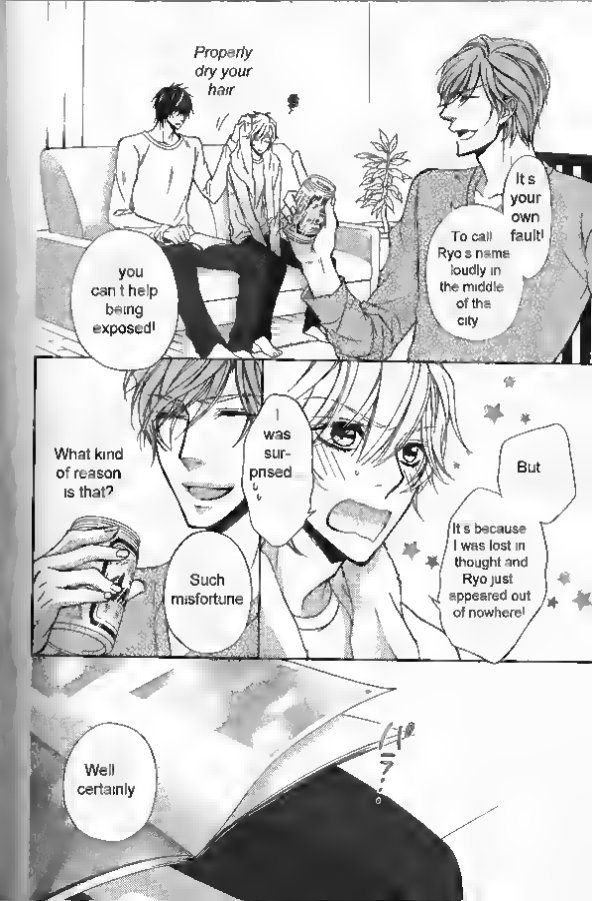
Ah
oops
Idiot

let's go.
Kyaa!
Kyaa!!
Ryo-sama--!!
And with him is Shinpei!!!
Please shake my hand!!
Wahh, Taxi!!!
Ha
Today was a failure



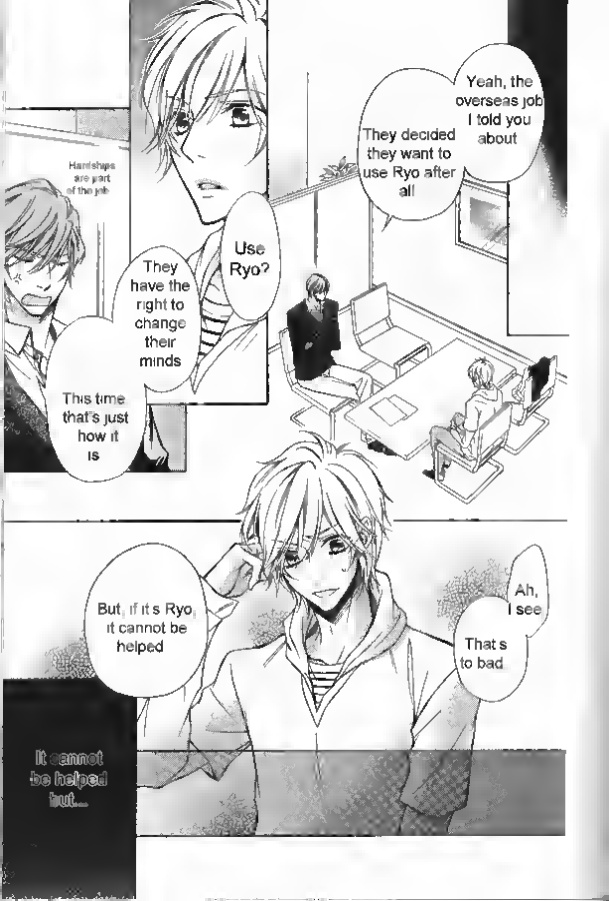
Properly dry your hair
It's your own fault!
To call Ryo's name loudly in the middle of the city
you can't help being exposed!
But
It's because I was lost in thought and Ryo just appeared out of nowhere!
I was surprised
What kind of reason is that?
Such misfortune
Well certainly
H?

You shouldn't let fans cling onto you like that!
Seriously
I can't really go yelling at them not to touch other people's things, now can I?
Hah?!
Are you stupid!?
Saying stuff like this in front of the manager
It's embarrassing!
What?
Haha. steamy
Ever since our relationship developed into this, the one thing I noticed most was
...

that Ryo is supnsingly jealous
All he seems to think about is ways to possess me
But the way he keeps acting is kind of embarrassing
He said before that he s not interested in others
Well you might not have so much time together enymore soon anyway
If Shinpei does well at work his job offers will multiply he will be very busy!
Ah!
That reminds me!

If you properly do your work one step at a time, your offers will increase naturally
Yes! I'm going to work hard!!
Very good!
I feel like I'll be able to do everything well this time around
Manager, you said that soon I will have overseas photo shoots, right?
I've never been abroad I'm so happy!!
I'm happy thinking that this might also be Ryo's influence on me
Little by little, I'm getting closer to him

You sure are watching him closely.
Eh it's cancelled?



Yeah, the overseas job I told you about
They decided they want to use Ryo after all
Use Ryo?
They have the right to change their minds
Hardships are part of the job
This time that's just how it is
Ah, I see
That's to bad
But, if it's Ryo, it cannot be helped
It cannot be helped but...

I guess I have no choice but to give in
Good grief you lose one job and you're already freaking.
It's nicer just hanging out at our room or not?
I'm telling you!
You want to do your best right
I want to be able to prove myself at my job!
I chose to give in this time!

I cannot yet compare myself to Ryo
But I m a model too
Anyway you
shouldn't be sulking or making that face right now
Ry
!
Nn
N uh
And I decided to not let that frustrate me

And since you have no job
how about you wait for my return in our room
With that I'd be absolutely happy
Wouldn't be happy at all

But more importantly, are you doing okay with work Shinpei?

It's hard to have a job cancelled on you

Crap...
Relocating in Progress
I'm nervous because we see each other so rarely lately!!
Calm down Shinpei!
Even when he's tired he still looks manly and handsome!
Ahh it's embarrassing to think that way...!!
Focus focus!
Ryo
Another 5 minutes and the bath will be--

Ryo…?
He's
Sleeping?
スー
スー
Careful with your glasses! Don't damage the futon!
Hey!
Change your clothes before sleeping!
……

He must have been really exhausted
While I am
feeling neglected and lonely
Only caring about myself
I m the worst while he tries to do well enough at work
Ryo is not feeling lonely I guess ?

Ryo
RE:
On the way
home
Be there soon.
vibrate
"Be there
soon"
he says!
And it's
still only 8
pm!
I'm so
happy!!
What
should
I do?

Manager ?
First I ll prepare a bath
I already told you
Hm?
I told you I don t approve of what Ryo does!
He's talking about Ryo?
I m worried
I don t know where he got this idea from but
I have nothing to do with his schedule
He s overworking out of his own will !
And also...

What... did he say just now...?
Either way, since this is how it is I will do what I can
Yes
Yes thanks Bye
Ryo has... ...my work?
...manager!
Eh?
What are you saying!
...this behaviour of snatching up all of Shinpei's job offers...

What is this about...?
Shinpei
Since when
Ryo is taking all my jobs...?
The big job that was cancelled was also because of this?
Don't you think you should ask him about it in person?
thud
Ah
Um well how do I put it

Ryo!
Huh? Something's not right
Your face it's red!
Wha- what's wrong!? A fever!?
It's nothing Not a big deal
You're noisy

But ..
I already went to the doctor and I'm taking my meds.
The fever will go down sooner or later.
Don't take it too seriously Shinpei
After all
He's probably just tired because he's been working like an idiot
Shinpei already knows.
おお
ゆか
!

Properly explain it to him with your own words, Ryo.
IIタン!
If possible I want
The manager said
That you are snatching up all my job offers
I want him to say that it's all not true

And you're silent so it really is true...!?
You heard how I always said I wanted to work hard, right?
Why are you interfering?
...I am
Why are you doing nothing but work anymore?
I don't understand anymore!

As it is our time together is already very limited!
What will we do when you also get very busy?
You belong only to me
If even more people's eyes were on you, I wouldn't be able to stand it

Ryo
So that s why you've been overly busy recently.
That's why.
I would steal all the jobs.
You even got a fever because of it.

Since I've caught a cold
We can't even kiss
Really
Fuu
And in the end
you became so stupidly busy that we have no time together after all
You'll ruin your health
It went all wrong
Damn

Why did I fall in love with this possessive and difficult guy?
Why can't he understand that I want to do my best at work?
Such a selfish man
But
I yield
Because I love all of this

I want you to kiss me
uh
N
Hot...
I might be spreading the cold to you already right now

Nn_
Ry_o
I want_
Ah
Ah
Ryo
I want to come_
We finally are together
N_no_
You want to come with just this?

It's okay if you just lay back and relax
.....
Ryo's
hot
eyes
How many people...
...are fascinated with them, I wonder.
ah
sllp
Why is it not going in ahh...

Ah
Are you doing this on purpose
squish
No I'm not
slip
shake
I'm already at my limit
Ah...
hah
I can't take it
hah...
It's all in
Hey!
You were the one to mount me so how about you try moving too
ah
Hn...
The way I am...in Ryo's eyes

But even so
Ahh
Uhhh
Surely
I'm still immature
It's already too much
Don't touch--
Ah
But it's good nght?
You are moving your hips
I'm
Because
This is
I want to have confidence in myself
I want to become a person to counterbalance Ryo perfectly

Ah
Ahh
Nn
ah
ahhhh
Yeah
that s
it
Ah
It s OK
Because
I want
to be
with him
always.
Feel it
honestly

All of Ryo is

...
what I aim for.

!!!

My lover, Kanahashi Ryo is

a model admired by everyone

Where ever he goes, he is always popular
Please, unauthorized persons are not allowed at the shoot!
He is always busy and I am feeling neglected
More often than not, he doesn't even make it back home at night
Why? The shoot of course!
Even though I sometimes feel lonely...
Why are you here...
.....
What? The regular model joining in today is you?!
Models don't do the peace sign
That is, after all the life of a model

And despite all that we have become very close
If it's at work, we can meet any time without worrying, right?
You really never listen to what one says
If you mess up you won't get any jobs anymore
Surely from now on I will have more confidenc-
You're trouble-some
Wait... isn't that a bit too exaggerated?
You need to prepare during the break times
I just need to be close to him

未熟な独占欲
Narusaka Rin's Hitomi no Dokusenyoku Sidestory

Attention please Flight for Haneda now boarding
But what's with that bag?
Yuuma!
Have you come to see me off?
I like you Takanobu!
You go to Tokyo so-
I am going to Tokyo as well!

瞳の独占欲

6 years later
You're childhood friends with Aihara Yuuma right?
And you both became popular models!
You look great in it and your expression fits perfectly!
This brand really is made for you Takanobu!
Just act natural
Well then I'm leaving first!
Gotta get to F Studio by 7 pm
Should be okay by train
In the beginning I was perplexed but now I'm doing quite well.
After being recommended by someone at the office I used to help out at, I had my first modelling job.
Bye!
We're going out to drink!
Huh? Takanobu is leaving already?
I'll come next time, alright?

Shibuya station
And then there's also...
Yuu...ma?
He got such an incredible location again...
Him.
...you're annoying.

Aw what the-!
Come on Shinpei calm down!
Taka-san did you see it? His poster
I've seen it.
It stands out so much, there's no way to overlook it
Incredible!
It's not a dream! This is the real thing!!
But! It's like BAM in front of the station! The station!?
How the heck can you stay this cool!?
You make wey too big a deal out of this
Yuumin moved to Tokyo on a whim like a guy in a middle girls.
"So, you're also becoming a model?"
It's nothing!
It's just a coincidence that this time the model posted at that location happens to be me!
It's a good thing to get such a location that is easily noticed!
What's with you and your tone?! I'd be excited about scoring such a location!!
It's pissing me off!
Don't act like you don't care at all

Because you re my proud childhood friend
That
Stop that
You always treat me like a kid
I don't even think of you as a childhood friend!

You are a childhood friend
To me you-
Enough
What was that, all the sudden?
I'm going to bed!
...
There is no way to mis-understand
Yes The two of us are childhood friends

Caring affection for a friend...
and romantic love...
Do not confuse the two
Taka-san a bit to the right
Yuuma-san look this way.
That s it, gonna take some shots now
Alright! Let s take a break!
Yuuma kun!

Won't you listen to what I have to say today?
You're all I think about anymore!
Hah
Takayanagi san
Hey hey! I saw it!
Your ad!
And you look great again today!
You're really all talk aren't you
Come on! I'm always serious!
What's with them?
Taka-san you never really work together with Yuuma huh?
Oh that's right!
He's apparently a fashion designer and
Yuuma's become his favorite
Lately it's always like *that*

They say he sleeps with him to get jobs...
And because they are always seen together, rumors are already going around...
Rumors?
That kind of thing isn't certain it's just rumors...
It's only a rumor
Of course you're right! I didn't believe it anyways!
Right!
And he's always so gloomy!
That's impossible! That Yuuma's not even a very social person !!
Such a stupid thing can't be...
Takanobu

That s fine
What for?
Is it alright to take a quick picture?
One of you and I together
They want some shots of us with a private feel for a magazine
We were asked to take pictures with roommates
Is it okay with just a cell phone?
What about a digital camera?
A cell phone picture gives off a pretty private feel
Sounds about right.
It s the best picture so far
Which?
Those two look great together
I actually just went to Ryo s room earlier
The two are already sleep but

That that kind of photo is a no go for the office though.
eh
No good?
Yep Out
If the ones from our high school time are okay, I will prepare them for you
I need them the day after tomorrow so
What are you working on?
A magazine questionnaire
Ah, also can you lend me some old photos too?
I left all mine at home
Hm? Who's address is this?
E-mail 1 NEW
Ah. Takayanagi san huh?
!

Is that alright?
I heard you're shooting his designs on a daily basis now. And he's always there
Get along well?
He kept bugging me to give him my number so I did today
...you're e-mailing each other...? You get along well...huh
But that is-
What?
It's a good thing to have the designer come to view the shoots
He is always so high spirited
If he's a bother don't hesitate to say something
He's really not a bother
(Although he's a bit strange

It is none of your business now is it.
..anyway Thanks for the photo
You two are really...

How much longer will you act so complicated?
That forsaking way of speaking
What was it that caused that...
Was it me?
This is the worst!
Hey, Taka-san are you listening!?
I can drink all I want!
My jobs have been declining lately...
The brand has been having a change of direction
I don't fit in with their image anymore
Yes yes What is it?
Eh? What happened?
By the way – You drink too much!
Ahh, I heard about that Nerune, right?
Drinking party at the Izakaya.

Hey isn't this about that guy Aihara the one you live with?
He got that ed infront of the station didn't he?
Ah...
It happened because they switched their lead designer to Takayanagi
Recently they even got a lot of big ads in downtown
Takayanagi
That
it was Takayanagi-san's brand's ad huh...
But the brand's reputation came up after the change
Because Takayanagi-san was there?
That pisses me off even more!
Indeed
Well the brand does what is most convinient. Makes no sense to feel down about it.
Yuuma did make a good impression on that poster.
All I can do anymore is drink~
I'm home

Yuuma?
No...
You'll catch a cold if you sleep here
If you want to sleep, do it in bed!
Yuuma?
Up you go
"It's just rumors That kind of thing isn't certain
Fuu
Sign reads To Yuuma kun from Takayanagi

It's none of your business!
Ha what am I doing here
Sleep well Yuuma
You said we'd go to the same university didn't you!?
Why

I already gave up on that
All that was left is waiting for the entrance ceremony!
We already passed!
I'm going to Tokyo to become a model
don't be lonely okay?
ゴト!
……

Kind of nostalgic
In dream?
No
I dropped off my stuff yeah
Yuuma?
He's not asleep?
It's ok
Yuuma
Are you going out?
I was called out
Called out
In the middle of the night?

Don't you have work tomorrow?
What are you doing?
The shoot is in the afternoon
As long as it doesn't interfer with work, I'm going
Possibly with Takayanagi san?
"The rumors say..."
That's insane!
Getting called out in the middle of the night? Saying you're going out just like that? What's with that?
That's right. What about it?
"Rumors?"
"They say he sleeps with people to get a job."
U.....!

Could it be
The rumors about you are true ..?
Hah?
What are you talk
Well
What if they were what would you do about it?

If it strains your body, stop it.
Doing something like that
It might lower your reputation as a model!
My reputation as a model ?
What the
This is

What are you talking about
How long am I supposed to wait ?
But my reputation as a model is your only concern here?!
And here I thought for a moment that you were jealous
Don't act like you have no idea what I'm talking about!
I, always-
Yuu
I told you properly back then!
Takanobu, I always really ..

(Nefe- he stops him from saying the ki- h suki here-)
Like-
Ah
I'm sor
Why are you always deciding everything by yourself?
Eh?

!
!!
Yuu

I'm off
Up until now...
I never really acknowledged Yuuma's feelings.
However...
I was convinced that we were nothing but childhood friends.
I realize that
I might like Yuuma

Touching him...
I was constantly scared to destroy the relationship we have now.
in a romantic sort of way
How many times have I thought this?
We are childhood friends.
All the unnecessary thoughts were just blown away...
And it felt like nothing else mattered.
However
But this feeling has always
been too vague to be sure about.
I really like Yuuma.

After that night, he hasn't come home for a few days already
But
It's okay
I know where he is
Really?!

I'm going to see him
Because
I've already made up my mind
I'd rather just hate him
Sorry to drag you into this
But
Because I can't
I don't want to talk to him right now either

It's quite alright
You're always welcome at my place
I just want to reset everything once
That's not necessary
I'll even comfort you... if you want me to?
Cause you're my ideal
Having you close makes it easier for me to design fitting outfits!
Until now, Yuuma,
You were always close to me.

That s why I couldn t see what a fragile connection we had beneath our friendship
Acting rude while trying to hide your embarrassment
The unsociable you
Sometimes showing this innocent smile
It s mine only
I'm the only one special enough to see it
Yuuma kun!

That's what I thought ...
I'm here to take Yuuma back
Thank you for taking care of him.

Sorry but
he doesn't want to be found
You understand right?
Is that what Yuuma said?
Of course it is
He told me that he doesn't want to see you at the moment
Poor Yuuma
So you're the guy he spent 6 years waiting for, huh
!

I know it's just stupid and childish to feel so possessive over him
Because I was thinking that all along I kept denying my true feelings
But...
You don't have the right to make that choice for Yuuma
Sounds like you want to possess him like a child and it's toy
You think you can just waltz into his life whenever you feel like it?
I know.
If it were me
I would never make him sad like that
I am not giving Yuuma to you

If you want to be kind to Yuuma
feel free to do whatever you like
..but
The only one able to reach Yuuma's heart....
...is me.
I'm letting myself in
Ehi
Wha-wai..!

Yuuma!
I know you're here!
What the...
So he knew what he wanted after all.
...away from this place as fast as possible...
I want to take Yuuma...
Yuuma
Where are you!
Away from here.
Fast.
We're going home!
Yuuma!

Wha
I told Taka-yanagi-san—
What are you doing here Takanobu!?
Yuu
I said I don't want to see you!

Wha...!
...are you talking about...
I like you Yuuma
"He says 'suk'" here which can be both romantic or just regular liking someone
You mean you like me as a childhood frie-
I'm serious!
But still...!
I don't want to hand you over to anybody

Up until now you've always avoided this matter!
It's not like I'm just going to believe you like that!
Then
I'll say it as often as you need to hear it
I don't believe anything you say!
Do whatever you want Takanobu

あとがき

はじめまして。昨年(2010年)リブレさんでBLデビューさせて頂きました、鳩坂です。
この度は「瞳の秘密」をお手に取って頂き ありがとうございます！
デビューコミックスを憧れのリブレさんから出してもらえるとは夢にも思っておらず
数年前の自分に自慢してやりたい気分です。
「モデル」「同居モノ」というお題を頂いて描いた今作ですが、連載準備期間が短かく 業界のことについてちゃんと調べられずに描いてしまったので、違えた!!とか 部分が多々あると思われます…が、そのところはお目こぼし頂けると嬉しいです。ストーリー作画ともに 反省点をあげるときりがないですが 自分なりに今できる限り精一杯描きました。そして自分自身 楽しみながら描いた作品だったので こうして単行本としてまとめて頂けてとても嬉しく思っております。これも全て いつも親切かつ的確な意見を下さる 担当N様 そしてリブレ編集部の皆様のおかげです。「瞳の…」3話目を描き終えた後、担当さんとの会話で「私、今まで"ヒカやぶった事ないんで"すよ！」と自信満々に話していたのも いい思い出です。遅れだ!!ように仕事したい。描き下ろしでは フクの日常(?)を描かせて頂きました。本編では描ききれなかったウェディングドレス!!とかの楽しい…描かせて頂きました、!! それと男まったくなんであんなプロレス好きなんですかねー とかとか。しばりなギモン。最後に、雑誌掲載時にアンケート書いて下さった方 忙しい合間をぬって手伝ってくれたアシスタントさん、応援してくれた友人 家族のみんな、そしてこの本を手にしてくださった皆様 本当にありがとうございました。
これからもどんどんBL漫画を描いていきたいと思いますので 見かけた際は よろしくお願いします。担当様 これからもよろしくお願い致します！
